TIME

MACHINE

BANG!

Today my  
parents are  
coming home  
late and I am  
HOME ALONE

The second they  
leave I hear a  
• Coming  
from the attic  
door

The attic is a dusty scary place which in my opinion I absolutely hate

But I need to know what caused  
that sound. So I quietly tiptoed  
up ↑

And this is what I

"FOUND"

A GIANT  
dusty  
grandfather  
clock which  
had the  
wrong time

I thought  
about it and  
finally I decided  
to make it  
\*shine\*

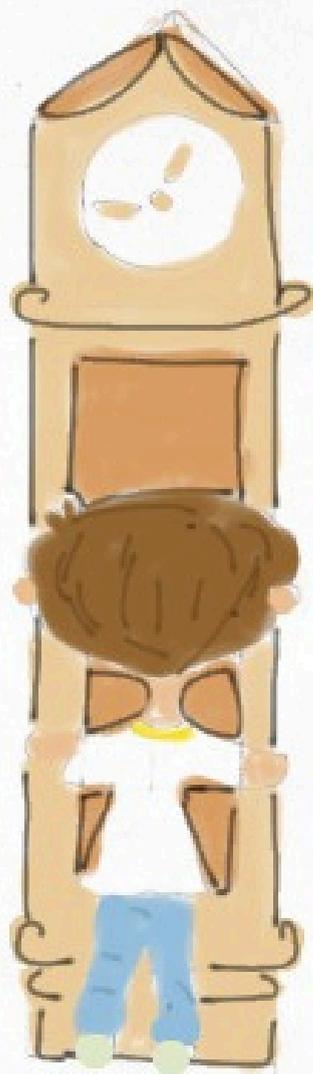

I got  
some  
wipes  
to clean  
the dust

and got  
some  
tissues  
to  
swipe  
the rust

Now the clock is sparkly  
clean I wanted it to be  
Seen

I held the clock with both  
my hands and ...

AHI-IHH!

I don't know where I am

Blue

Green

White and

Black

This is Extraordinary

This is Outstanding

This is something

I've never seen before

Suddenly I land with  
a THUD

In some sticky brownish

But  
beautiful  
green except  
sun is shining  
blue. Not a b

WILD  
YEARS

ut what I see is  
ful. Every thing is  
for the flowers. The  
ng and the sky is  
uilding can be  
seen too

CTIONS  
f  
LAGO

Suddenly I hear

a **ROAR**

This time  
not from the  
attic door

It's a huge monster  
I've never seen before

It's got  
huge fangs

And walks  
with a  
BANG

It looks  
at me with  
his beady  
eyes

Then he says with  
a deep friendly voice

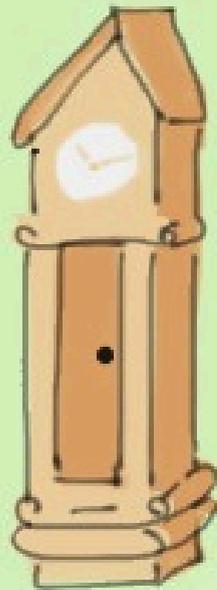

"HI"

I ran away  
fast as I

as  
could

I touched  
the clock with  
both my hands

and WOOSH

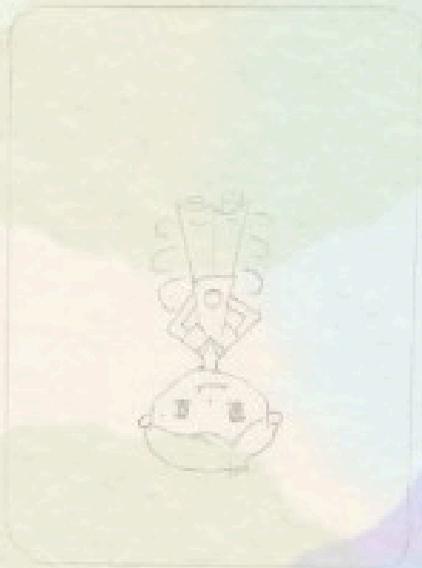

I was quickly  
off the  
land

Twisting

&

Turning

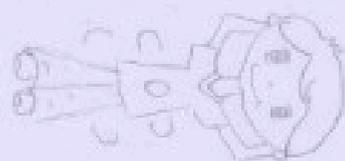

It happened again

Spinning

&

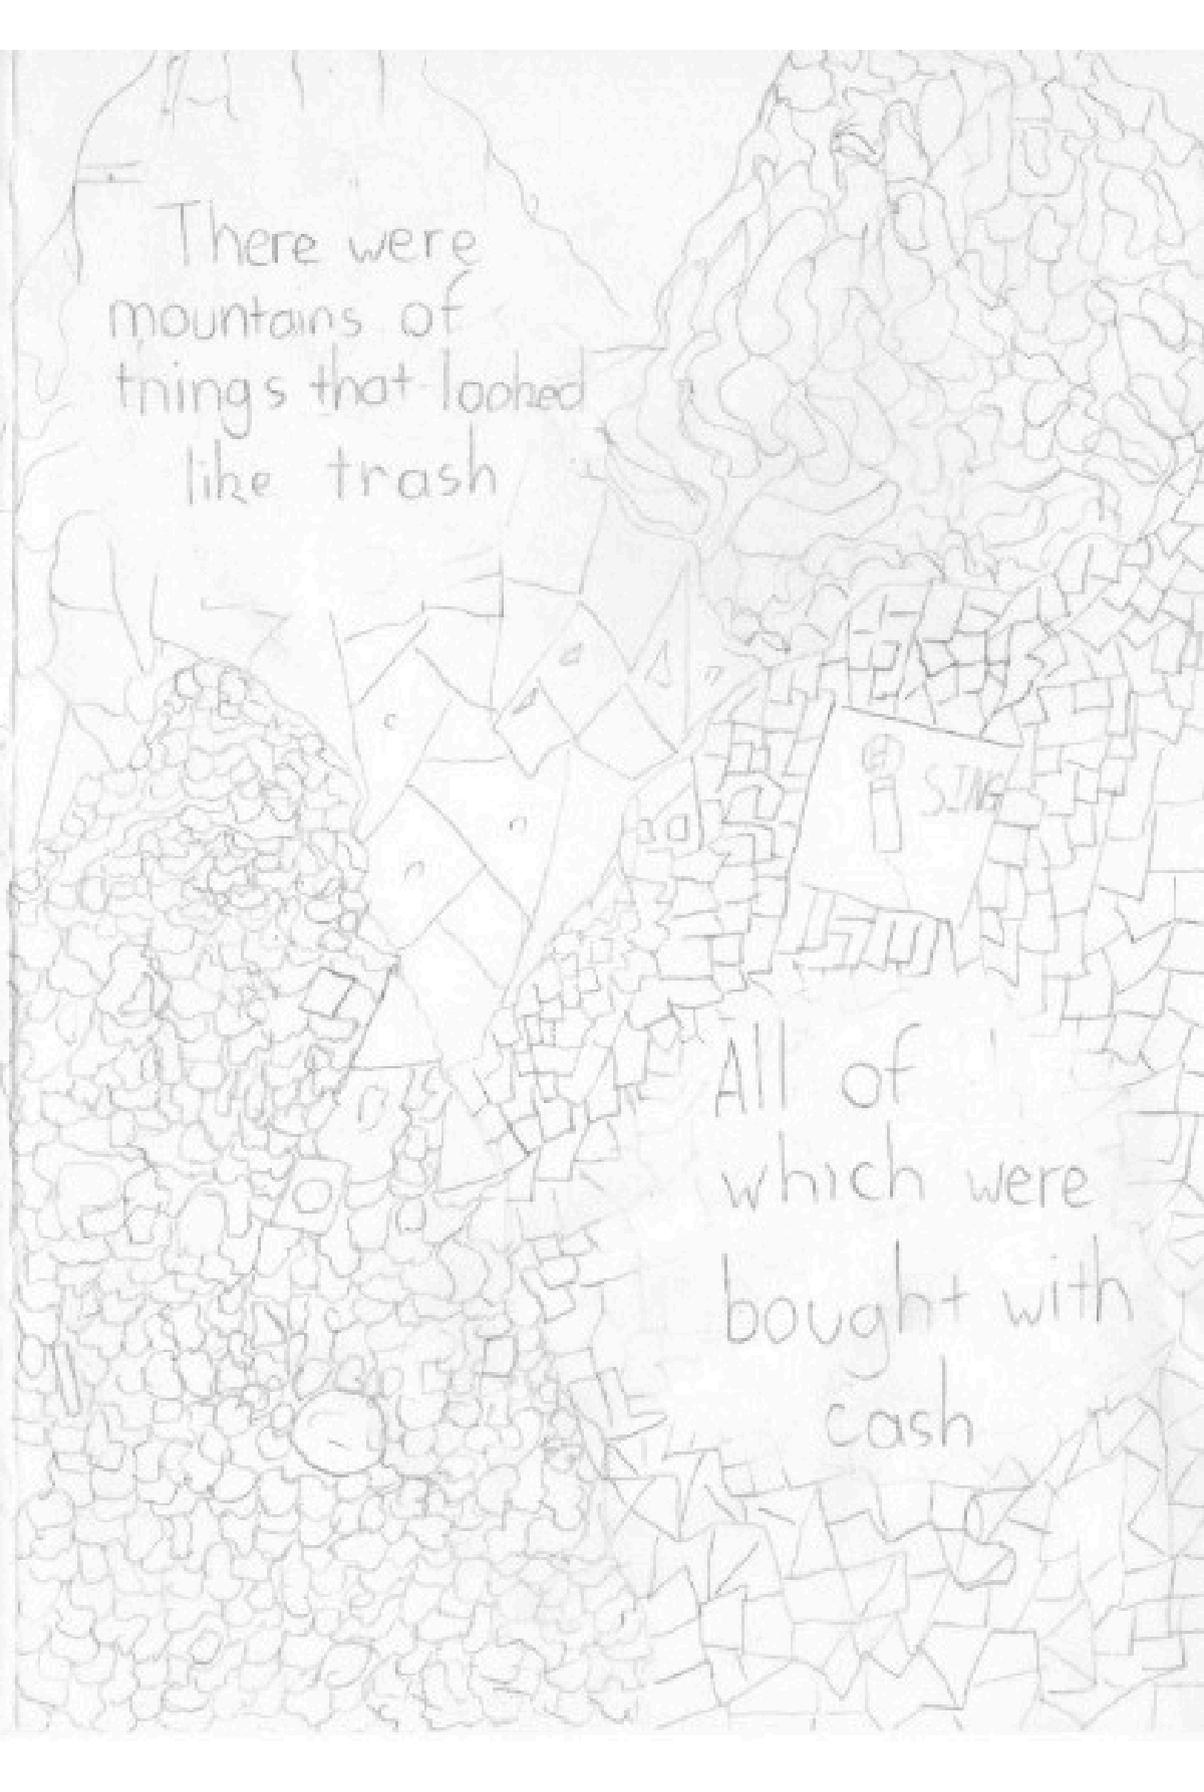

Swirling

I didnt stop until I  
landed with a sudden

. . .

There were  
mountains of  
things that looked  
like trash

All of  
which were  
bought with  
cash

The sky was red when I  
wasn't even sunset

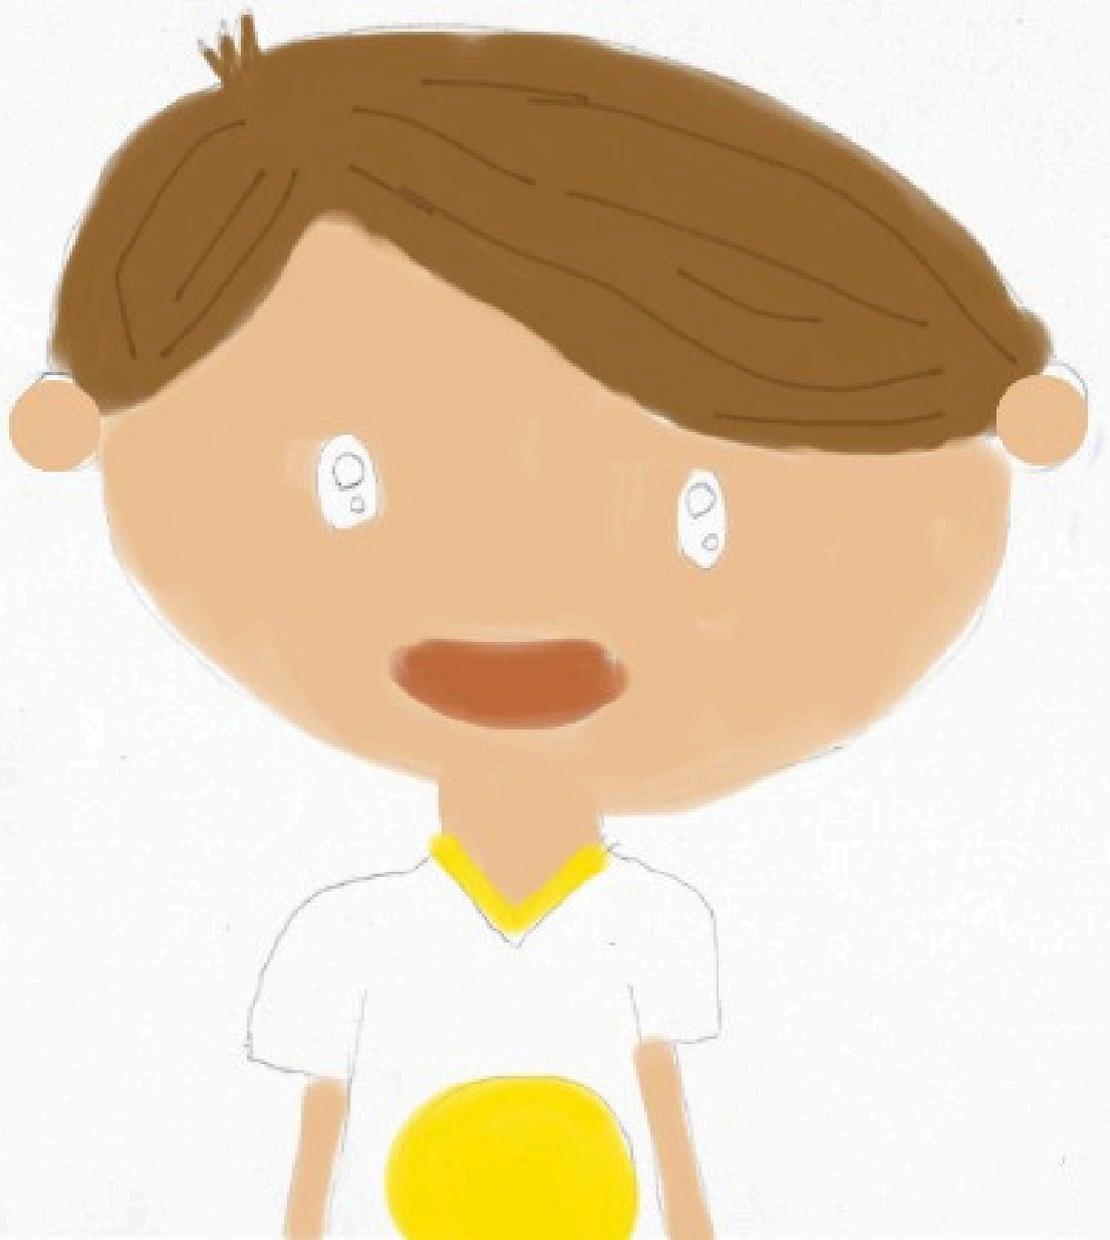

The sun was dying  
and time was flying  
but everyone had given up

The y could  
barely talk  
or even walk  
but one  
child said

TOO  
MUCH  
RUBBISH

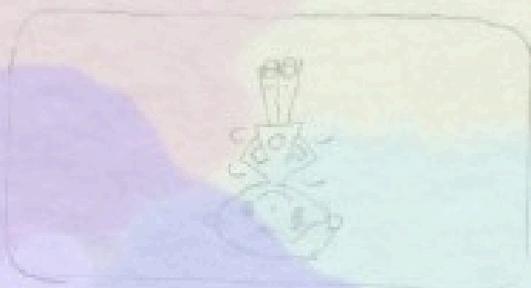

I understood and  
got back into the portal

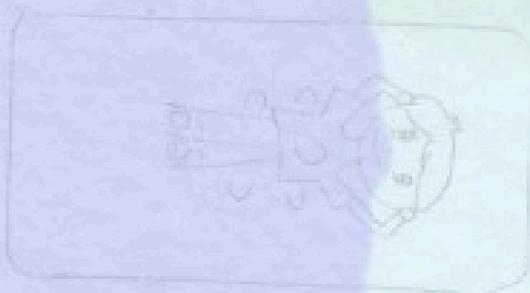

Twist

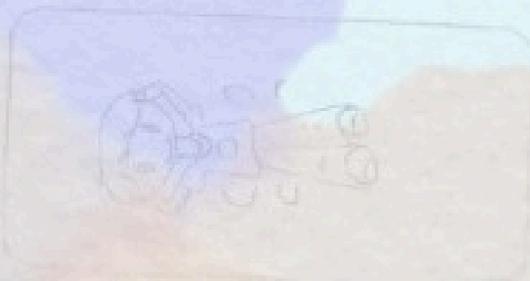

Turn

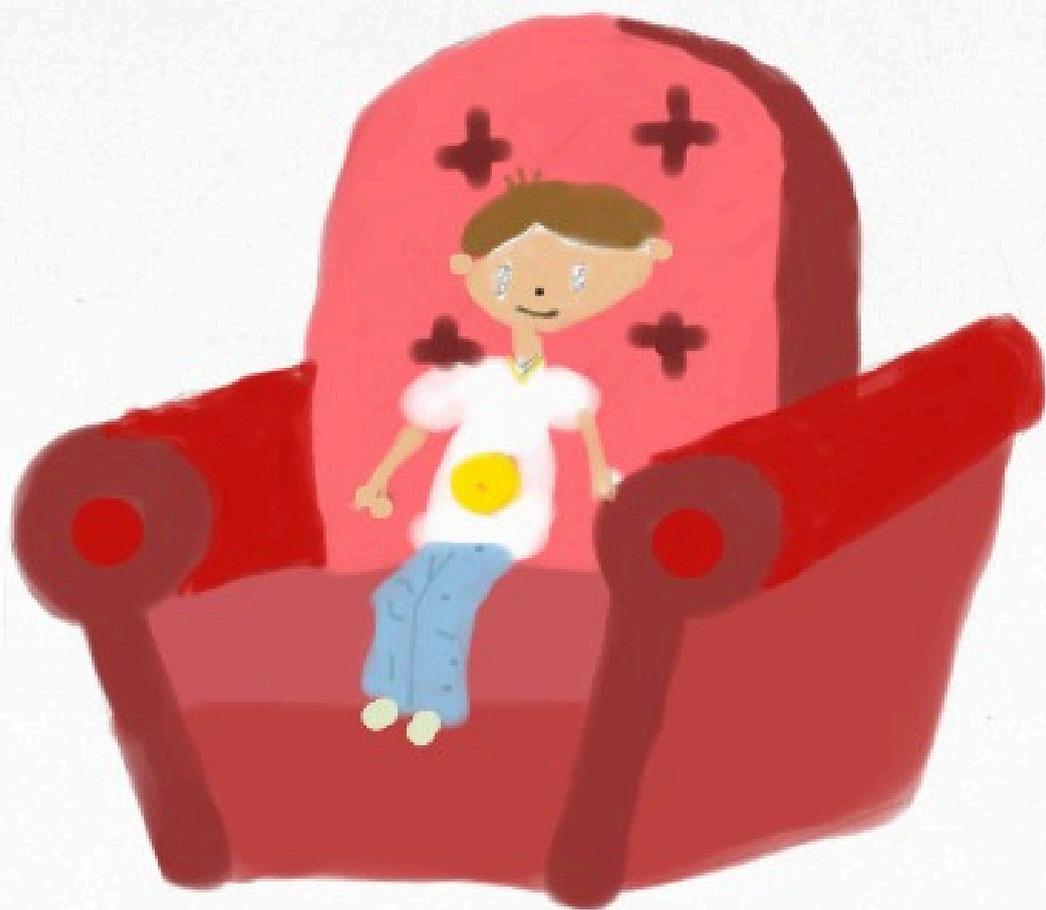

Spin

Swirl

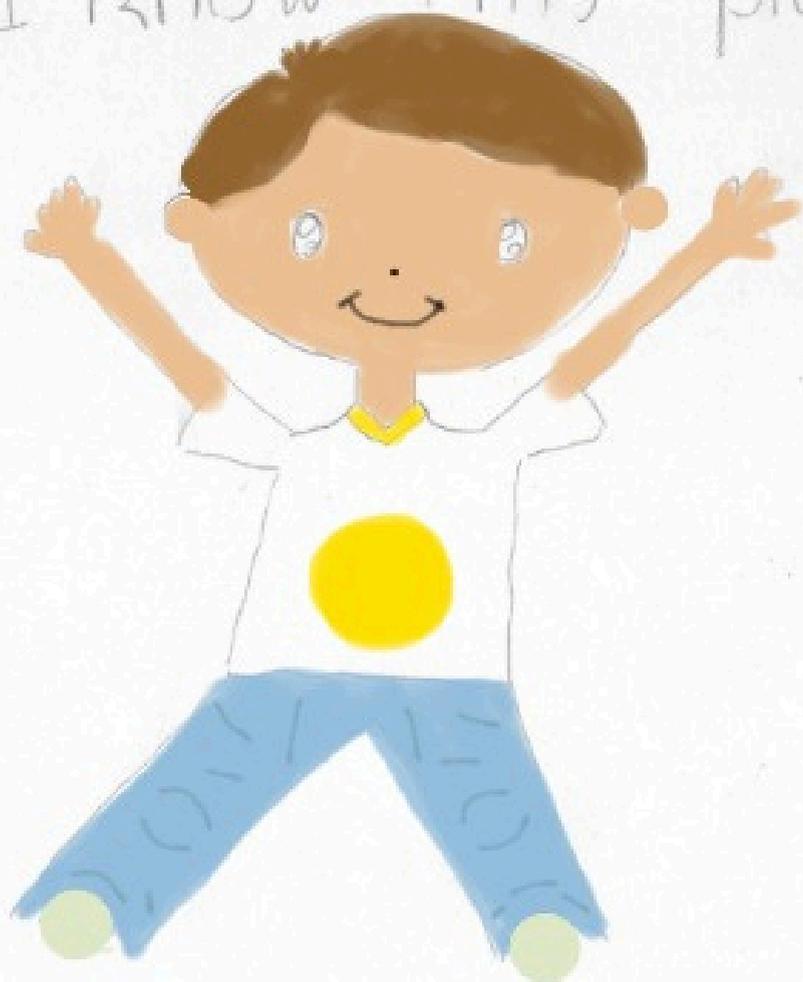

There was no knowing  
where I was going

Then I land on a  
lounge room chair

This is familiar  
I know this place

I'm home I should  
be have known

I Step Outside

And see my dad

He dropped some Rubbish

Which made me sad

So I had to say...

"HEY

THAT'S NOT

OKAY"
